

# au WALLET Card

## What is au WALLET Card?

\*It is not a credit card

au WALLET Card is a prepaid type electronic money account. The Card can be used in more than 38 million MasterCard member stores all over the world or at around 4,000 Internet stores in Japan.

NO RISK!

- You can not use more money than is on your account.
- No need to have a review which is usually conducted to get a credit card
- No issuing commission
- No annual fee

## How to use au WALLET Card?

- The Card is used like any credit or debit card. It can be used at all places, where MasterCard is accepted.
- This Card can be used everywhere in the world, however if used outside Japan, the overseas usage fee of 4% applies.
- The Card can not be used in combination with cash.

## How to get points for your WALLET?

- When paid by au WALLET Card, the points automatically get saved into your account. You get 1 point per every ¥200 paid with the card.
- Monthly communication charges paid to au also becomes your points! You get 10 points per every ¥1,000.

## How to use saved points?

Eventually every point you get turns into ¥1!

- WALLET points turn into electronic money and can be used everywhere where MasterCard is accepted.
- The points can be used to reduce monthly communication charges paid to au, and to buy various goods or digital contents provided by au.

## How to charge au WALLET Card?

The Card can be charged

- Through au WALLET app or website (1) when you pay an au bill (2) from your bank account (3) by your credit card
- With cash at an au Shop
- By turning your points into electronic money
